DIGITAL PRINTING

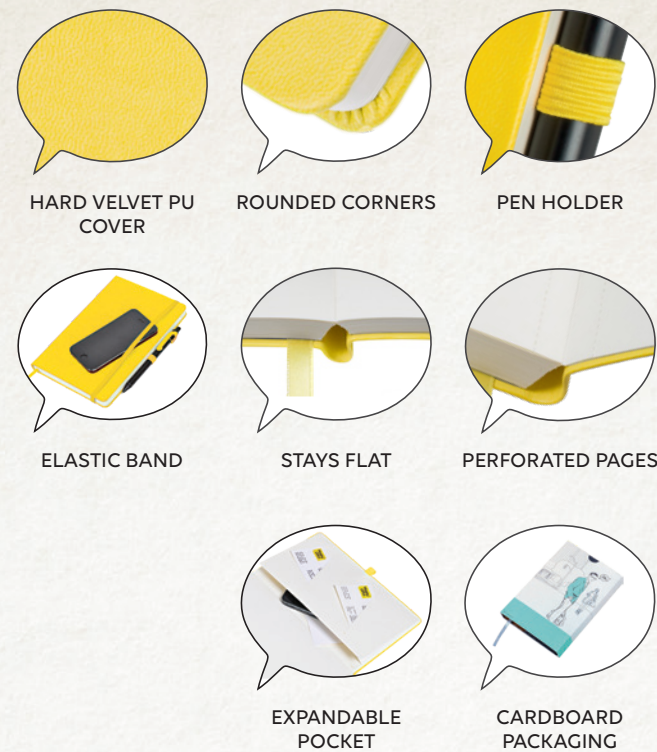

EMBOSSING

BLIND EMBOSSING

(EN) **Blind embossing**

Also known as debossing, this is our most popular option. Your logo will look great pressed into the cover of a notebook. Available on every product we sell, blind embossing is a subtle way to promote your brand.

(IT) **Incisione a secco**

E' la soluzione di stampa più diffusa: il logo viene impresso a secco sulla copertina del notebook. Realizzabile su ogni prodotto, questa soluzione è un modo elegante per promuovere il tuo brand.

(DE) **Standardprägung**

Ein geprägtes Notizbuch ist ein einmaliger Markenbotschafter. Wir bieten eine Prägung für alle Notizbücher. Eine Prägung kann nur einfarbig und ohne Verlauf dargestellt werden. Alternativ bieten wir einen mehrfarbigen Siebdruck an.

(FR) **Fouillage standard**

C'est notre service le plus populaire et les plus utilisé. La forme requise est obtenue dans un processus exécuté à chaud, appelé thermo-effet. Le fouillage est possible sur toute la surface du carnet et disponible pour chaque produit proposé de notre gamme. Le fouillage est une manière subtile de promouvoir votre marque.

(ES) **Golpe en seco**

Es la solución de impresión más común: el logotipo está grabado en la tapa de la libreta en seco. Disponible para cada producto, esta solución es una manera elegante de promocionar su marca.

SILKSCREEN PRINTING

(EN) **Silkscreen printing**

It's one of the most popular techniques of printing applied in single and multicolored labelling of notebooks and other promotional gadgets. It is very universal, durable and provides richness of color.

(IT) **Serigrafia**

E' il più tradizionale e diffuso sistema di stampa. Permette di riprodurre il logo del cliente nella posizione richiesta e nel colore richiesto conferendo maggior risalto al prodotto.

(DE) **Siebdruck**

Der Siebdruck ist eine spannende Drucktechnik, die auf viele unterschiedlichen Materialien erfolgen kann. Mit dieser Drucktechnik können sehr detaillierte, freistehende Grafiken abgebildet werden.

(FR) **Sérigraphie**

C'est l'une des techniques les plus courantes destinées aux marquages simples ou multicolores des carnets et d'autres objets publicitaires. L'universalité, la durabilité et la richesse des couleurs figurent parmi les avantages de cette méthode de marquage.

(ES) **Serigrafía**

Es el sistema de impresión más tradicional y común. Permite reproducir el logotipo del cliente en la posición requerida y el color requerido.

DIGITAL PRINTING

(EN) **Digital printing**

Is color an important part of your brand message? We can incorporate your text color with a combination of printing and product colors. Red imprint on a black notebook? White imprint on a grey notebook?

(IT) **Stampa digitale**

È il colore una parte importante del messaggio del Vostro logo? Possiamo personalizzare la copertina dei notebook con la stampa a colori e sfruttare gli abbinamenti di colore tra la copertina stessa ed il logo da riprodurre: stampa rossa sulla copertina nera? Stampa bianca sulla copertina grigia?

(DE) **Digitaldruck**

Digitaldruck ist die optimale und kostengünstigste Wahl, wenn Sie mehrfarbige Logos, Farbverläufe oder sogar Fotos drucken möchten.

(FR) **Impression numérique**

L'utilisation de l'impression numérique nous donne des possibilités illimitées en matière de conception. Nous pouvons imprimer autant de couleurs vives et noir en utilisant l'encre blanche comme support. Le résultat a une grande douceur et une qualité photo-réaliste. L'impression numérique est idéale pour les images en couleurs.

(ES) **Impresión digital**

Es el color una parte importante del mensaje de su logotipo? Podemos personalizar la portada de cuadernos con la impresión en digital jugando con los colores de la cubierta y los colores del logotipo: impresión roja sobre cubierta negra? En blanco sobre una giras?

FOIL IMPRINTING

(EN) **Foil imprinting**

Foil stamping creates a stunning effect when used on the right notebook. Gold or silver foil printing of your logo makes it really stand out and adds a touch of luxury. Metallic silver on black and metallic gold on red look especially nice.

(IT) **Stampa a caldo**

L'effetto oro o argento della stampa a caldo conferiscono un tocco di eleganza al prodotto. Se utilizzate con il notebook giusto, creano un effetto sorprendente: l'argento sulle copertine nere o l'oro su quelle rosse sono tra gli esempi più gradevoli.

(DE) **Folienprägung**

Sie möchten Produkte mit edlen Oberflächen und metallischen Glanzeffekten? Sie möchten Ihre Kunden mit bester Qualität und veredelten Oberflächen überzeugen? Wir bieten Ihnen beste Konditionen für Heißfolienprägungen! Die Anwendung der Heißfolienprägung im Digitaldruck ist fast grenzenlos möglich.

(FR) **Personnalisation feuille meta**

Le fouillage avec une feuille métallique crée un effet étonnant! Raffinement par les couleurs: argent ou or. Ce type de personnalisation permet à un carnet de se détacher et d'ajouter une touche de luxe. Il y a de nombreuses possibilités de couleurs, que l'on peut parfaitement ajuster à votre propre marque.

(ES) **Impresión caliente**

El efecto de impresión en oro o plata da un toque de elegancia al producto. Si se utiliza con el cuaderno adecuado, se puede crear un efecto sorprendente: plata sobre cubiertas negras o de oro en las portadas de libretas rojas son algunos de los ejemplos más agradables.

ADVERTISING INSERT

(EN) **Advertising insert**

Need more space to advertise your company? A text cleverly placed inside the notebook will easily catch everyone's attention. You may order two or four-paged insert with the content of your design.

(IT) **Inserto personalizzato**

Se la necessità è quella di aumentare lo spazio per la comunicazione, un inserto abilmente collocato all'interno del notebook è la soluzione ideale e attirerà l'attenzione di tutti. Si possono inserire 2 o 4 di pagine personalizzate (4 o 8 fogli) posizionandole in un'unica posizione od intercalandole nel notebook a piacimento.

(DE) **Einlegeblatt**

Notizbücher sind perfekter Markenbotschafter und nützliches Tool in einem. Der Innenteil ist nicht zwangsläufig allein für den Buchnutzer reserviert, sondern kann ebenfalls zur Inszenierung der Marke dienen – sei es mit Illustrationen, Fotografien oder Text.

(FR) **Encarts publicitaires**

Si vous avez besoin de plus d'espace pour la publicité? Un document inséré à l'intérieur du carnet attirera l'attention et restera dans la mémoire. Possibilité de placer deux ou quatre encarts publicitaires suivant le projet individuel du client.

(ES) **Hojas personalizadas**

Si la necesidad es aumentar el espacio de comunicación, un inserto colocado dentro de la libreta es ideal y atraerá la atención de todos. Puede introducir 1 o 2 hojas personalizadas (2 o 4 páginas) con el contenido de su mensaje.

SPECIAL PACKING

(EN) **Special packing**

An attractive single cardboard wrapping that will protect your notebook or PowerBox. What is more, you can design the entire surface of your cover! Besides standard sleeves available Printed on demand, plastic or Shrink-foil for notebook. For PowerBox we offer additionally full customized.

(IT) **Confezione speciale**

A richiesta è possibile realizzare la confezione in cartoncino con una grafica speciale per rendere il notebook ancora più esclusivo.

(DE) **Schutzumschlag**

Ihre individuelle Verpackung kann Doppelfunktion übernehmen: es sichert und macht, dass Ihre Notizbuch mehr attraktiv aussieht! Ganz Oberfläche von der Schutzumschlag ist verfügbar für individuelle Design. Es kann aus Plastik oder aus Sachrumpffolie sein. Für PowerBox ist ganz weiß oder ganz personalisierte.

(FR) **Emballages**

Un étui personnalisé en carton avec un double rôle. Il protège le carnet et le rend plus attractif. Toute la surface de la couverture est à disposition pour une personnalisation.

(ES) **Embalaje especial**

Una atractiva única funda de cartón que protegerá su cuaderno o PowerBoxes. Lo que es más, se puede personalizar la totalidad de la superficie de la funda!
